

Art Journalling

Paula Watkins

19th - 21st Aug 2020

Wednesday to Friday

During this three day art journalling course we will enjoy discovering many different aspects of art journalling with an exciting and adventurous combination of mixed media techniques.

Description

Discover the many different aspects of art journalling with an exciting and adventurous combination of mixed media techniques. All of the techniques are simple to achieve but they give stunning effects, that can be combined to make unusual and tactile pages to suit your own personal style of art journal. We will be exploring colour mixing, pattern making with stencils, fabric inclusions, cutting, tearing and layering, illustration, and some interactive pages.

Please bring with you

Journal with strong cartridge paper pages. I like Pink Pig and the 8 inch square Hobbycraft sketchbooks

Selection of acrylic paints including a large tube of white

Some thin gloves and an apron if you don't like getting messy

Car sponge, a ruler, eraser and pencil

Selection of brushes including a large one and some thin ones for watercolour
