

Just Couching!

Janet Edmonds

10th Mar 2021

Wednesday

Enjoy a day of stitching using Couching to produce a sampler showing the potential for creative surfaces. Exploring the many forms of Couching, we will change the density and direction, vary thickness of thread from fine through to thick, explore colour combinations, and consider the placing and variety of holding stitches.

Description

We will explore the many forms of Couching. We will change the density and direction, vary thickness of thread from fine through to thick, explore colour combinations, and consider the placing and variety of holding stitches. Some reference to the historical use of this technique will be included.
