Jackie Devereux

18th - 20th Oct 2024

Friday to Sunday

For all levels of experience, taking this amazingly expressive medium beyond belief as we experiment with colour, paper surfaces and collage. Gone are the woeful days of cut fingers and crude prints, as we bring in improved but traditionally simple materials. Coupled with original ideas to stretch each individual's needs. Not to be missed.....

Description

This expressive medium will be tailored to your individual needs and will appeal to all levels and none! In fact it needs to be seen to be believed. Come and have a go.....and if you have some experience, Jackie has more cutting and printing techniques to share.

Please bring with you

Please see the image on this course page - I recommend the latest easy cutting materials shown here - all available from online art stores and/or Hobbycraft.

I will have a certain amount of equipment with me to either use or purchase but it would be useful if you could at least have a set of cutting tools with you.

Otherwise, all printing equipment, rollers, ink, paper etc will be available.

Do contact me if in doubt, and I look forward to working with you no matter how much or how little experience you bring to the table.

Level

No previous experience necessary, but if you have some then be prepared to move on.

About Jackie Devereux

Jackie is a full time professional artist as well as qualified and very experienced adult tutor, whose unique work is greatly influenced by Japanese art as well as the light of southern France which was her home for over twenty years. Jackie's award winning work ranges from pure large contemporary works on paper, to delicate pencil, to expressive pen & ink and mixed media - all experimental in nature. She has travelled the world, always with the intention of capturing people and places as she goes. As drawing is an integral part of her work, Jackie enjoys working with groups and sharing her ideas and techniques, encouraging others to develop their own potential. Jackie's work is well published and collected internationally. She has been a regular contributor to The Artist Magazine, has exhibited widely throughout the UK and France, as well as in the USA and Japan. She has shown with the RWS, RI and with the Society of Graphic Fine Art, variously in Menier Gallery, Southwark; in Mayfair, Bankside and The Mall Galleries in London, and was elected and served as President of the SGFA for five years. Her work is shown in Mandells Gallery, Norwich; The Gallery at Waterperry House, Oxford, and often in Babylon Gallery, Ely and Gallery Holt, Holt, Norfolk. www.watercolour-online.co.uk Information and images copyright of Jackie Devereux PPSGFA HonSGFA
