#### About Jackie Devereux

Jackie is a full time professional artist as well as qualified and very experienced adult tutor, whose unique work is greatly influenced by Japanese art as well as the light of southern France which was her home for over twenty years. Jackie's award winning work ranges from pure large contemporary works on paper, to delicate pencil, to expressive pen & ink and mixed media - all experimental in nature. She has travelled the world, always with the intention of capturing people and places as she goes.
